AIR PURIFIER

ESSENCEGOLD Bio Air Purifier actively kills the viable pathogens (bacteria, viruses, fungi) and removes nonviable particles such as dust, rust, dirt, pollen, etc. ESSENCEGOLD Air Purifier kills germs in the air, removes malodour and retains the oxygen level in the air.

What is special with **ESSENCEGOLD** AIR PURIFIER

- Made in a natural way with 100% natural ingredients.
- Safe for children and pets at home.
- When used, it does not cause eye irritation, skin allergies, etc. On the contrary, using a chemical air purifier can cause eye irritation, skin allergies, hormonal imbalance, breathing problems.
- Using an air purifier mixed with chemicals can reduce the amount of oxygen in the air and cause deadly effects such as respiratory problems, lung cancer, etc. When using ESSENCEGOLD air purifier, it retains the amount of oxygen in the air and removes all the aforementioned problems and maintains the health of our body.
- It prevents ozone depletion and global warming as it is naturally prepared with natural substances.
- When used regularly, it also acts as an insect repellent to prevent insects from entering the house.
- When used at home, it greatly reduces the impact of electrical radiation.
- There will be no harm to air, soil and water. But the chemical air purifier pollutes the environment.
- It does not contain chemicals like aerosol, alcohol, etc. There is no risk of fire. There is a risk of easily catching fire when a chemical air purifier mixed with alcohol is used.

Direction of use:

Spray on all four corners of the room. It can be sprayed on curtains, walls and any surface. You can also spray in the water compartment of air coolers to get cool and refreshing air. It can be used anywhere, such as the bedroom, the living room, and the public place.

BODY WASH

ESSENCEGOLD Body wash is actively kills the viable pathogens (bacteria, viruses, fungi) and removes nonviable particles such as dust, rust, dirt, pollen, etc. ESSENCEGOLD Body Wash cleanses the skin and makes it soft and shiny

What is special with **ESSENCEGOLD** **BODY WASH**

- Made in a natural way with 100% natural ingredients.
- Safe for both kids and adults.
- Keeps the skin moisturized and smooth
- The chemical body wash contains harsh chemicals like SLS/SLES. It reduces the moisture content of the skin and makes the skin dry. It is also a major cause of hormonal imbalance and skin cancer.
- ESSENCEGOLD Body Wash is prepared in a natural way with natural ingredients. Therefore, you can get rid of all the above- mentioned problems.
- ESSENCEGOLD Body Wash keeps the skin balanced and even toned.
- Removes malodour and toxins from the skin.
- It also helps in removing the blockages in drain while bathing

Direction of use:

Wet the body with water and take a small amount on loofah and make it foam. Brush on the body and wash off with water.

FACE WASH

ESSENCEGOLD actively kills the viable pathogens (bacteria, viruses, fungi) and removes nonviable particles such as dust, rust, dirt, pollen, etc. ESSENCEGOLD face wash cleanses the skin and makes it soft and shiny

What is special with **ESSENCEGOLD** **FACE WASH**

- Made in a natural way with 100% natural ingredients.
- Safe for both kids and adults.
- Keeps the skin moisturized and smooth
- A chemical based face wash contains harsh chemical like SLS/SLES. It reduces the moisture content of the skin and makes the skin dry. It is also a major cause of hormonal imbalance and skin cancer. ESSENCEGOLD face wash is prepared in a natural way with natural ingredients. Therefore, you can get rid of all the above- mentioned problems.
- ESSENCEGOLD Face Wash keeps the skin balanced and even toned. Keeps the face glowing and fresh
- It also leads to easy release of sweat without clogging the pores in the skin. So it can get rid of problems like acne completely.
- It removes dirt, dust, sweat, germs easily and keeps the face smooth.

Direction of use:

After rinsing the face with water, take a little ESSENCEGOLD face wash on fingers and rub it uniformly on the face and make it foam. Then wash it off with water.

SHAMPOO

ESSENCEGOLD Bio shampoo actively kills the viable pathogens (bacteria, viruses, fungi) and removes nonviable particles such as dust, rust, dirt, pollen, etc. ESSENCEGOLD shampoo removes the drying of scalp and makes the hair soft and shiny

What is special with **ESSENCEGOLD** SHAMPOO

- Made in a natural way with 100% natural ingredients.
- Safe for both kids and adults.
- Keeps the scalp moisturized and smooth
- Chemical based shampoo contains chemicals like SLES/SLS. It will make the hair dry and increase the hair loss. It is also a major cause of hormonal imbalance and skin cancer.
- ESSENCEGOLD shampoo is prepared in a natural way with natural ingredients. Therefore, you can get rid of all the above-mentioned problems. It protects from ultraviolet rays while going under sun prevents from hair dryness.
- Prevents infection germs from entering the skin, and removes dandruff.
- Our natural shampoo helps to avoid dryness and itching after bathing.
- Stimulates hair growth, prevents dandruff, repairs dead cells, prevents hair fall, strengthens hair follicles

Direction of use:

Gently apply it on the wet hair and massage it well to make it foam. Then wash it off with the required water. Repeat this if necessary

LIQUID DETERGENT

EssenceGold Liquid Detergent effectively removes dirt, grease, and tough stains while preventing dirt redeposition. Its low-foaming formula saves water and works perfectly for both hand and machine washing. Eco-friendly and biodegradable, it's gentle on fabrics, safe for all garments, and free from harmful chemicals like APEO/NPEO, delivering deep cleaning with a fresh, long-lasting fragrance.

What is special with **ESSENCEGOLD** **LIQUID DETERGENT**

- Removes dirt, grease and stain effectively.
- Removes tough grime on collars and cuffs.
- Prevents re-deposition of dirt.
- Low foaming and hence consumes less Water.
- Suitable for hand and machine wash.
- Bio-degradable.
- APEO/NPEO free.
- Gentle on fabric while ensuring deep cleaning.
- Fresh and long-lasting fragrance.
- Safe for all types of fabrics, including delicate and colored garments.
- Cost-effective with high cleaning efficiency.

DISHWASH GEL

Effortlessly removes grease and residue from pots, pans, plates, and utensils, leaving them spotless. Its lemon-powered formula ensures high degreasing strength, quick rinse-off, and streak-free drying. Biodegradable and eco-friendly, it's tough on stains while gentle on the environment.

What is special with **ESSENCEGOLD** **DISHWASH GEL**

- Removes residues and grease from all kitchenwares such as pots, pans, plates, cutlery and kitchen utensils.
- Dries out without streaking and rinses off easily.
- Biodegradable.
- Dishwash gel has high degreasing strength with the power of lemons.
- Keeps hands soft and free from irritation.
- Suitable for all types of kitchenware, including delicate glass and non-stick surfaces.

TOILET BOWL CLEANER

ESSENCEGOLD toilet cleaner actively kills the viable pathogens (bacteria, viruses, fungi) and removes nonviable particles such as dust, rust, dirt, pollen, etc. ESSENCEGOLD toilet cleaner is an excellent choice for cleaning all stubborn stains and easily remove malodour without releasing harmful gases.

What is special with **ESSENCEGOLD** TOILET BOWL CLEANER

- Made in a natural way with 100% natural ingredients.
- Using a chemical based toilet cleaner will reduce the amount of oxygen in the air and cause deadly effects such as respiratory problems, hormonal imbalance, cancer, etc. When using ESSENCEGOLD toilet cleaner, it retains the amount of oxygen in the air and eliminates all the above-mentioned problems and maintains the health of our body.
- Safe for children and pets at home.
- Chemical based toilet cleaner will emit toxic fumes. It stays in the room for more than three days. So, every time we use the toilet, we inhale that toxic smoke, which can lead to complications such as lung cancer, rectal cancer, etc. Our ESSENCEGOLD Toilet Cleaner is made in a natural way with natural ingredients so that you can get rid of all the above mentioned problems.
- By using ESSENCEGOLD toilet cleaner, you can increase the efficiency of the septic tank.

Direction of use:

Press the ESSENCEGOLD toilet cleaner inside the edge and above the water line as needed. Then spread it on the surface of the basin using a brush and leave it on for 5 minutes. Then, wash it off with water.

FERTILIZER

EssenceGold Bio Fertilizer is derived from plant sources using natural fermentation technology. It actively kills viable pathogens such as bacteria, viruses, and fungi while also removing non-living particles like dust, rust, dirt, and pollen. It provides essential micro and macro nutrients to plants, helping them grow strong and healthy.

What is special with **ESSENCEGOLD** **FERTILIZER**

- Made with 100% natural ingredients.
- Does not cause eye irritation, skin allergies, etc. Provides essential micro and macro nutrients required by plants.
- Unlike chemical fertilizers, it does not kill beneficial micro organisms in the soil.
- Naturally retains microbes and earthworms that improve soil fertility.
- When sprayed on plants, it is absorbed, making stems and leaves stronger. Enhances flowering and natural ripening ability.
- Chemical fertilizers reduce the natural taste of fruits and vegetables, where as EssenceGold maintains their natural flavors.
- Helps keep plants fresh and prevents flower drop and Repels insects and boosts plant immunity.
- Suitable for all types of plants.

DIRECTIONS OF USE

Mix 10 ml of EssenceGold Bio-Fertilizer with 3 liters of water and leave it for 5 hours. Spray the mixture on the surface of the plant, on the leaves, and on the soil around the stem.

Note: Do not spray directly on the root.
